

2022-23 NACUBO Fellows Program Schedule

Subject to Change

Program Component	Dates
<p>Online Leadership Assessment</p> <p>Complete an online leadership assessment and receive an individualized report including an in-depth interpretation of the results.</p>	<p>June 2022</p>
<p>Fellows Program Opening Workshop Denver, CO</p> <p>Participate in an intensive two-day program immediately preceding the NACUBO Annual Meeting. Meet your colleagues in the Fellows cohort and get to know each other. Learn from experienced chief business officers and other higher education leaders about the complexities of the CBO role and understand the key competencies that are required for high performance in the CBO job. Reflect on your professional strengths and gaps identified in the leadership assessment and design an individual learning and development plan for the year.</p>	<p>July 15 – 16, 2022</p>
<p>NACUBO 2022 Annual Meeting Denver, CO</p> <p>Engage in three days of multi-disciplinary educational offerings, including general sessions and specialized sessions presented by higher education thought leaders and business officers representing colleges and universities across the country.</p>	<p>July 16 – 19, 2022</p>
<p>NACUBO Forum or Workshop</p> <p>Receive one complimentary registration for a NACUBO professional development program of your choice, from among the following: Integrating Analytics Forum, Higher Education Accounting Forum, Planning and Budgeting Forum, Student Financial Services Conference, and Tax Forum.</p>	<p>One program, between September 2022 – May 2023</p>

<p>Fellows Fall Meeting Washington, DC</p> <p>Reconvene with your Fellows cohort to examine the range of critical issues faced by cabinet-level campus leaders. Understand how CBOs can collaborate more effectively with colleagues. Learn to apply your signature talent themes to a strengths-based approach to leadership and management.</p>	<p>September 29 – 30, 2022</p>
<p>Campus Visits</p> <p>Meet with colleagues from another NACUBO member campus to gain a better understanding of the issues affecting CBOs and their teams, identify new approaches to address institutional challenges, and broaden your perspective.</p>	<p>Fall 2022</p>
<p>Fellows Mid-Year Meeting</p> <p>Based on readings in advance, participate in an interactive session to explore challenges faced by chief business officers. Apply the knowledge and experiences gained through the Fellows Program to enhance your leadership on campus.</p>	<p>January 25, 2023 12 – 2 p.m. Eastern Time</p>
<p>Campus Visits</p> <p>Meet with colleagues from another NACUBO member campus to gain a better understanding of the issues affecting CBOs and their teams, identify new approaches to address institutional challenges, and broaden your perspective.</p>	<p>Spring 2023</p>
<p>Fellows Spring Meeting Washington, DC</p> <p>Learn more about the executive career search process, refine your communication skills, and understand how to interact more effectively with others. Meet with your project team members to develop a strategy for completing the team project.</p>	<p>March 16 – 17, 2023</p>
<p>Fellows Team Project</p> <p>Work virtually with other members of the Fellows cohort in a small-group team to address a significant project faced by a college or university. Dedicate approximately 40 hours of time to the project between March and July. Deliver final team presentation at the NACUBO 2023 Annual Meeting.</p>	<p>March – July 2023</p>

NACUBO 2023 Annual Meeting and Fellows Closing Workshop

Orlando, FL

July 15 – 17, 2023

Engage in three days of multi-disciplinary educational offerings, including general sessions and specialized sessions presented by authors, journalists, attorneys, and technical experts, as well as business officers representing colleges and universities across the country.

Participate in closing sessions to reflect and share lessons learned throughout the Fellows Program year. Deliver final team project presentations. Develop and articulate your plan of action to take your career to the next level.
